Sexy suits that work as hard as you do

TravelSport raved about Girls4Sport's performance swimwear in their Spring 2007 issue and even featured our sports tank rashguard and matching hipster bottom on the cover of their magazine.

The image is a collage of three items related to Girls4Sport swimwear:

- Top Left:** A page from a magazine titled "sexy suits that work as hard as you do" by Alyssa Heyman. It features various swimwear items like goggles, a swim cap, and a bikini, with descriptive text for each.
- Center:** The cover of the "TRAVELSPORT" magazine, Greater Chicagoland Spring 2007 Issue. The cover features a woman in a blue patterned tank top and hipster bottom. Text on the cover includes "FREE PICK ME UP" with the website "travelsport.tv", "SEXY SUITS THAT WORK AS HARD AS YOU DO!", "MEET ME IN VANCOUVER", and "PUCKER UP BABY LOVE YOUR LIPS". A barcode at the bottom is labeled "COMPLIMENTARY" and "SPRING 2007 CHI".
- Right Side:** A sidebar titled "WHO TO WATCH OUT FOR THIS YEAR!" featuring a woman in a blue patterned swimsuit. The text lists several names and their affiliations, such as "2007 by Tony Mariani" and "2007 by Tony Mariani".
