WATER SKIING: THE ULTIMATE GUIDE TO THE BEST BOAT DVD.

WET GOWNS PRO 405 (540 EACH) AND PRO 40 SPEAKERS (500 & 600). [DETSCORDE.COM](http://DETSCORDE.COM)  
The Pro 405 includes the water-resistant Pro 405 with dual 8-ohm EFG drivers and a four-band compression driver, plus a pair of Pro 405 with one 8-ohm EFG driver and a four-band compression driver. The combination means sound up to 110dB on air.

PRO-405 CARBON HANDLE (599.99) [RIBS-INFO.COM](http://RIBS-INFO.COM)  
Only 250 of these better-than-handles will be available in 2007. The suspension carbon design makes perfecting the handle easier, as well as a standard EVA replacement grip to help combat your ribs.

SPORTSHOT HI-RES WATERPROOF HELMET CAM (1299) [2007WATERCAM.COM](http://2007WATERCAM.COM)  
Take your water-skiing shooting to a new level with this new 4-lens, waterproof camera that delivers 500 TV lines of resolution when powered with a rechargeable (sold separately). This package includes a waterproof housing, rechargeable battery pack, and a mounting system, perfect for HD-resolution shots that makes this a POV camera a steal for under \$1000.

O'NEILL SUPERBREAK CARABOTEER BACKPACK (164.99) [OONEILL.COM](http://OONEILL.COM)  
With a padded stern-plate compartment, removable neoprene pouch and beige mesh boots, this backpack is made for flying high. Measures 11 inches wide, 15.5 inches tall and 8 inches deep.

WATERPROOF NEOPRENE RASHGUARD (57.99) [GIRLS4SPORT.COM](http://GIRLS4SPORT.COM)  
With 2 zones of level II with a venturi. Either way, this neoprene rash guard is made for enjoyment on. It features a built-in shelf for front hold-up and 1 row neoprene panels for additional warmth. The extra-long torso design keeps it from riding up. Available in sizes XS-XXL.

NEVERLITE WAKESURFER (599) [WATERCAM.COM](http://WATERCAM.COM)  
If you like to surf as much as you like to water-ski, this water's designed just for you. With a more traditionally crafted carbon-fiber shell, it sits deep in the water, reacts quickly and edges hard. Available in two sizes, 4' and 5'.

WATERPROOF HEADWORKS (129.99) [WATERCAM.COM](http://WATERCAM.COM)  
A new-generation headgear from H2O Audio. With a patented, ergonomic, click-locked control and 3.5mm stereo jack, it's great for driving protection in water use down to 10 feet. For best results in the water, use H2O Audio's waterproof suspension, sold separately.

WATERPROOF SWIM FINS AND A TAIL CUT, AIR-UP GARMENT. The carbon fiber is made of carbon fiber and kevlar. Available in sizes XS-XXL.
